Local to global - delivering beyond expectations

About Us

Leading in Logistics for *Over 26 Years*

We are a proud British, independently owned logistics provider offering comprehensive international freight, express courier and domestic distribution services.

With over 26 years of industry experience, we've built a reputation for delivering flexible, reliable and cost-effective shipping solutions to clients across the globe.

Our expertise spans industries, time zones and challenges - enabling us to tailor logistics strategies that truly meet the evolving needs of modern businesses.

As part of The Mission Express Global Group, our strategically positioned offices and warehouses are located at key global logistics hubs - ensuring seamless movement of goods, faster turnaround times and end-to-end visibility.

At Mission Express, we believe that service is more than just delivery. It's about trust, attention to detail and a personal commitment to excellence.

Moving Goods *Smarter*, *Faster* and *Better*

Our proven expertise and commitment ensure that every shipment, delivery and event is handled with precision and care, no matter the scale or destination.

Worldwide Freight ✓

We provide end-to-end international shipping through our own trusted global network. Fast, flexible and fully managed.

Euro Parcel Service (EPS) ✓

Your gateway to Europe.
Door-to-door parcel delivery with precision and backed by our trusted cross-border network.

Worldwide Events ✓

From exhibitions to live shows, we deliver your event cargo on time and anywhere in the world. Secure and handled with precision, every time.

International & UK Courier ✓

Express delivery across the UK and worldwide - tracked, timed and trusted for urgent shipments.

Distribution & Fulfilment ✓

From warehouse to doorstep, we manage storage, picking, packing and delivery. Accurate and scalable to your needs.

E-Commerce ✓

From order to delivery, we provide efficient, accurate shipping designed for e-commerce success.

MGG Networks

The Elite Network Driving Logistics Innovation Worldwide

MGG Networks is more than a logistics network.

It's a powerful tool dedicated to solving your toughest freight challenges worldwide. With strategically located offices and warehouses across key global hubs, we offer unmatched coverage and seamless connectivity that keep your supply chain agile and resilient.

Our network empowers your business by delivering solutions that overcome complexities, meet tight deadlines and optimise costs.

Wherever your goods need to go, we combine local expertise with global strength to turn logistics obstacles into opportunities, ensuring your freight moves efficiently, securely and on time, every time.
